

I request that the FCC should not implement any proposal that would lessen Indiana's Telephone Privacy law protections. I have been able to have dinner without being interrupted. I used to receive 12 to 15 calls a week starting at 6 PM and going on as late as 9 PM. I am very satisfied with the Indiana Law since it recognizes my privacy, which I am sure the federal government should also recognize. Thank you very much for your consideration of my request.
